EDUCATION

USA | UNIVERSITY OF FLORIDA | 2010 - 2014
Bachelor of Arts in Art History

Developed research, writing, and critical thinking skills with an understanding of art historical criticism, theory, and development through the study of artistic styles, cultures, and periods. Pursued my interest in museum curation and history while furthering my knowledge of my own artistic practice.

Bachelor of Fine Arts in Art + Technology

Explored artistic practices by way of installation, gaming technology, digital imaging, web design, animation, and video production. Became proficient in a variety of hardware and software by creating artwork in a studio setting. Learned to effectively handle professional equipment and software.

EXPERIENCE

JAPAN | ECC 外語学院 | English Teacher and School Staff | February 2018 - Present

Working alongside Japanese and international staff and teachers to create an immersive cultural and language learning environment for students of all ages, levels, and occupational backgrounds in Japan. Participating in meetings regarding school target sales, finances, and marketing ideas. Promotional activities and developing school events to increase student retention, participation, and engagement and encourage new sign ups. Teaching English.

PURE PATH MARKETING A+Rated Digest | Graphic Designer | May 2017 - January 2018

Worked with individual clients in various fields including but not limited to hospitality, medicine, entertainment, and real estate to develop advertising tailored to fit their business needs. Designed ads for magazines and online media platforms, as well as business cards and menus. Coordinated schedules and deadlines with the magazine and clients, set appointments, conducted meetings and consultations over the phone and in person.

CLAY BY THE BAY POTTERY STUDIOS | Studio Assistant/Technician | May 2016 - February 2017

Focused on daily maintenance of the studio including organizing and supporting an inviting art work environment, cleaning, mixing glazes, operating kilns and other equipment, and taking care of stock. Sold classes and clay materials over the phone and in person, gave tours of the studio, assisted managers, administrative tasks, responded to customer emails, contacted new student inquiries. Worked with teachers and management to further studio improvement. Offered guidance to students, taught safe usage of pottery tools and equipment. Instructed one-on-one clay lessons with children and assisted adult pottery classes. Opening and closing procedures, key holder

THE RABBIT HOLE THEATER COMPANY Designer/Aide | October, 2014 - January, 2017

Planned and designed marketing materials to reach children and families of San Francisco and help expand the community of children participating in the Rabbit Hole Theater School. Planned activities and events for children.

GATORWELL HEALTH PROMOTION SERVICES Junior Graphic Designer | May, 2013 - May, 2014

Worked alongside other members of the Tech Team to design and produce various social media and campus-wide marketing campaigns promoting health topics. Animated a short series to spread awareness about weekly health topics. Redesigned and transferred existing website to a new Content Management System. Completed website updates and changes.

INVOLVEMENT

ASIAN ART MUSEUM Frontline Volunteer | July 2015 - July 2016

Provided assistance in various areas of the museum such as the museum store and visitor services. Worked with fellow volunteers to complete projects with museum faculty and visiting artists.

CHILDREN'S CREATIVITY MUSEUM DIY Arts Fellow | September, 2014 - January, 2015

Created and facilitated monthly themed arts projects for young children. Developed curriculum and trained volunteers and interns on best museum practices. Coordinated with museum staff and managed monthly supply budget. Worked collaboratively with Early Childhood Education to discuss best practices and upcoming program themes.

HARN MUSEUM OF ART Museum University Student Educator | January, 2014 - May, 2014

One of 15 students in a selective program of creative project volunteers. Planned and presented interactive activities and experiences for museum visitors at monthly Museum Nights events.

DIGITAL ARTS MEDIA NETWORK Vice President | May 2013 - May, 2014

Organized and conducted weekly meetings. Helped with the organization's active participation in various art-related events at the University of Florida. Planned workshops and tutorials to teach fellow students about up-to-date topics in art and technology.
